### WINEMAKER'S NOTES

Most families have that special person that can capture your imagination with great stories about the "good old days". My grandpa Fred was that man in our family. Whether it was his heroics on the river as a young boy or the mighty bears he slayed in the big woods his stories were always fascinating. Perhaps this is why I chose to be a winemaker. Every bottle is a new story waiting to be told. Some of these stories will become legendary!
