WINEMAKER'S NOTES Purple is our favorite color. You know you're drinking the good stuff when your teeth develop that unmistakable hue. As Chad's father Dr. Dan Johnson D.D.S. says, "Life is too short to stain your teeth on cheap wine." This Syrah is a Washington classic with fresh and vibrant blueberry and cassis flavors, shaded with mineral and pepper notes that linger enticingly on the open finish. It also happens to share the name with Dusted Valley's infamous wine club, The Stained Tooth Society.
