**WINEMAKER'S NOTES** *This blend 90% Mourvèdre and 10% Syrah from the Stone Tree Vineyard will knock your socks off. Once a secret, this vineyard is on the fast track to becoming one of Washington's premiere vineyards. We love the meaty, gamey side of this wine, along with the lush ripe fruit that provides a powerful backbone. The DV boys made only 120 cases, so when it's gone, it's gone!*
