WINEMAKER'S NOTES *You are welcome and encouraged to "stain your teeth" on this big bad boy. From the beginning this Washington Petite Sirah seemed to have a life force of its own. I told Corey he should have given it a little direction. But, nooo! He said the wine could find its own way through this cruel world. It is a dense, firm and expressive effort from Stone Tree vineyard - one of the warmest vineyards in Washington State. It offers up chewy black plum and blueberry flavors that linger easily against those big refined Petite Sirah tannins. This wine starts big; stays big; finishes big.*
