Aged in second and third use oak barrels

#### PRODUCTION

2,520 bottles

#### RETAIL PRICE

\$45

**WINEMAKER'S NOTES** *The 2023 Breezy Slope Pinot Noir is a study in balance—bright, lifted, and quietly powerful. Grown in the rolling hills of the Walla Walla Valley, this site brings natural elegance and energy to the glass. On the palate, vibrant red fruit carries through with silky texture and fine tannins. Bright acidity keeps it fresh, while subtle floral and forest floor notes linger on the finish.*

*Limited to just 210 cases, this Pinot Noir is refined, expressive, and distinctly Walla Walla.*
